9PHR	5/16"	9"	50	10347-1

The DUO

We didn't invent the roller frame, we just improved it! Covers twice the area with just one dip of paint. Applies a double coat of paint at one time. Paints twice as fast as a single roller. Applies a smoother, cleaner paint finish.

RS106

Code Number	Roller Size	Length	Packed Per Ctn	UPC 077089-
RS106	4"	16"	12	10600-8

Unlike anything in the industry today! Great for hard to reach areas and many other odd jobs. Fits most standard mini rollers, foam, fabric, flock and tight spot style covers. Great for railings, radiators, wrought iron and hard to reach trim areas. The curve of the frame allows for easy dipping in any standard tray, paint bucket or pail.
